

Macgregor 26M(2005) for sale

After 17 years ownership and a huge amount of fun , excitement and exploration I have decided to sell Aranah and trade up to larger boat .

Having owned her from new I have spent a lot of time sympathetically developing her interior for comfort , convenience and conviviality and in the exterior I have added many mods to aid sailing and cruising . Many of these mods can be seen via the Rolys Mods forum thread and the Dropbox link but I will happily share more photos on request.

She is in fully working , good condition with beautiful blue polished hull and many mods and extras so I am looking for £19,500 List of extras as follows :

External/ sailing developments

1) Lines led back to cockpit.

Lazy jack system with 3 levels of mainsail reefing all led back to cockpit via Harken swivel cleats at the mast base.

Uphaul similarly led back as continuous line with downhaul

Kicker mod to allow tension and release from the cockpit despite mast swivel

- 2) **New Mainsail** with slugs (3 seasons) **and new 150% Genoa** (2 seasons)
- 3) **Spinnaker** with snuffer system controllable from cockpit and additional aluminium pole
- 4) Cockpit **seat cushions**..... with drain through foam so no water holding
- 5) Petrol tank retaining netsand **4 new 24 l tanks** exactly filling the space. Spare fuel line.
- 6) **WHEEL PILOT**.....an absolute gem especially if solo sailing
- 7) **Larger wheel** ...with soft rubber grip
- 8) **Chart plotter** / fishfinder / auxillary depth/log Garmin 450S
- 9) **Depth meter**...NASA ...shine through the hull
- 10) **Compass** with inclinometer
- 11) **Kick up cleats** for ruddersa godsend in shallow waters
- 12) 4:1 pulley system for dagger board
- 13) `Wincher` additions create tailing winches , easier if solo and can crank with handle
- 14) **MOB+** remote kill cord systemautomatically cuts engine if you fall in !
- 15) **Stern shower outlet** ...rinse off after a swim / wash hair or even have a shower !
- 16) **Fortress anchor** ...superb lightweight aluminium but with ample heavy chain ...never fails to hold.
- 17) **SPRAY HOOD**....designed by local fitter to allow sailing with it in place and easy access to front deck**COCKPIT TENT** ...zips onto this and has detachable sides to create sun bimini.
- 18) **DSC Radio with mast head and deck level ariels** and invaluable **COCKPIT COMMAND MIC**
- 19) **Mast head Tricolor** LED light
- 20) Binnacle 12 waterproof socket ...for powering phone or tablet / night lamp
- 21) **SOLAR PANEL** !...100w ...mounted on rear but detachable for trailing , keeps battery and coolbox running

Internal Development

- 1) **50l flexible water tank** under rear berth with inline pump operated by foot switch

- 2) **Galley re-design** keeping original front but creating slide out provisions draw , under sink utilities cupboard and end cupboards to house up to 20l fresh water and also store waste bin etc
- 3) Collapsible pedestal under table to house cutlery / essentials draw and also **new DOMETIC coolbox**this was renewed this year and has 2 yr warrantee...this can be set to run only from the alternator or from house battery
- 4) House battery 85 Ah linked to starter by **Voltage sensitive relay**
- 5) **Renewed main switchboard** with bus and **additional bus bar** for negative and positive leads in battery area
- 6) **Reading side lights in rear berth** and additional LED lights in main cabin area
- 7) **Additional 12v points** in main cabin and v berth area with double USB point
- 8) **Shore power system**.....using camping type 3 *13A sockets and inbuilt breakers....5 Amp charger and coolbox permanently plugged in for instant use on connecting
- 9) Heads door re--design to create **fully enclosed toilet area plus EXTRACTOR vent** with solar rechargeable battery
- 10) Re-designed forward bulkhead for improved access to V berth
- 11) **Car radio / CD** with speakers
- 12) **Diesel Heater**.....Webasto type ...heats lounge in minutes ! great after a damp day

The Yamaha 50m outboard has been **professionally serviced annually** from new and has never let me down .

NEW GALVANISED TRAILER from Fortress trailer in 2019 has only had 4 salt water launches .

I have a brand **new spare dagger board** that I am willing to sell for with the boat (POA) ...worth over £1000.00 to replace .
